

Neighborhood Block Rate Hauler Rubric

Write in
hauler name →

List of haulers can be found at
www.dakotavalleyrecycling.org/haulers

1. What is the minimum number of accounts needed for our neighborhood to receive a discounted rate?								
2. Are services guaranteed in writing?								
3. How long is the price guaranteed for?								
4. What would the monthly rate be for garbage and recycling service? Can each household choose their size?								
4a. with a 30-39 gallon garbage cart								
4b. with a 60-69 gallon garbage cart								
4c. with 90-99 gallon garbage cart								
5. Are the carts included in this rate? If not, what is that amount?								
6. Does this rate include tax, surcharges and other fees? If not, what are those amounts?								
7. What is the cost for yard waste pick-up service? Can each household choose if they want this service?								
8. How is recycling collected (single stream or sorted), and what plastics are accepted (e.g., #1-7, bottles only, etc)?								
9. Other (specify)?
