

### **Current System of Collection for Burnsville, Eagan and Apple Valley**

- ❖ The Cities of Burnsville, Eagan and Apple Valley all use an open hauling system of garbage/recycling collection. This means each household develops an agreement for garbage/ recycling collection with any hauler that has received a license from the City.
- ❖ The City licenses haulers for residential, multifamily and commercial service.
- ❖ Per Burnsville Ordinance No. 433, Apple Valley Ordinance No. 538, Eagan Chapter 10, Section 10.01, Subd. 5., and State Statute, every household and commercial/ industrial establishment in the city must be under a contract for the collection of garbage and refuse with a licensed garbage hauler unless they have an exemption. Each hauler shall provide a volume based rate structure for individual residential customers. Haulers are prohibited from imposing a greater charge on residents who recycle than on residents who do not recycle.
- ❖ Residential garbage is collected Monday through Friday during the following hours:
  - Burnsville: 6:30 a.m. to 6:00 p.m.
  - Eagan: 6:30 a.m. to 8:30 p.m.
  - Apple Valley: 6:30 a.m. to 6:00 p.m.
- ❖ The day in which garbage collection occurs is based on residential hauling districts that have been determined by the city council. To determine which day garbage is collected in your neighborhood, please consult the following map:
